Skillz sugarfree lollipops 10 g lollipops

Skillz Free are sweets created especially for children and conscious parents who want to offer their kids healthy, delicious snacks. They are made with 5 ingredients only! Their intensely fruity taste and color are not due to flavors and dyes, but to freeze-dried fruits. The lollipops are sweetened with erythrol, stevia and isomalt extracted from beets, so they are low in calories. Skillz Free is a perfect alternative to classic sweets that satisfy the craving for snacks without a gram of sugar.
